

MARCH MESSAGE: MONTH OF

VISION for LANDMARK TRANSFORMATION

ISSUE #1 | VOLUME 3

What do you see? Jer. 1. 11. The eye is the lamp of the body. Mt. 6,22-23

In this third month of a spectacular year, we have an opportunity to work much more closely with the third Person in the Trinity to enlarge and sharpen our vision. The Lord gave us the ability to see into three realms--with our physical, mental and spiritual eyes. The closer we are to the Holy Spirit the more we can see into these realms with landmark victories and accomplishments.

Vision affects our motivation and performance. It determines our profession, provision and possession. It helps us to return to outstanding (land) marks in our past and/or enables us to aspire to greater accomplishments in our future.

The Lord already declared that this is our landmark year of great victories and accomplishments. Landmarks always require new ways of thinking and actions but all of these will happen only if we have a better vision of who we are and our purpose in time as the scripture abundantly establishes. A new season of profound transformation from war to peace with major shifts in national policies are taken place in the western world as the leaders are being challenged to return to the Judeo-Christian ethics that established them as global leaders and united them for incredible global dominance... Other leaders around the world are taking heed. We all need to work on ourselves and how we relate to others as the Lord's Spirit opens our inner eyes.

We must receive new and fresh visions of what worked well in our past that we had jettisoned so we can return to them. Jer 6.16. For this we would need to partner with the Holy Spirit to help us to see more clearly into all realms.

Without vision a people (even God's people) perish!

Prov. 29.18. The Lord told Abraham to walk through the land after Lot left him. Gen. 13. 14-17. It also explains how only two of Israel's twelve leaders believed that they can possess the promised land the Lord assigned them. They actually possessed it while the others perished.

It is also no wonder that Satan's immediate action against God's children once he captures them is to put out their eyes as with Samson and Zedekiah, Judah's last king before exile. (Judges 16. 21, 2Kgs 25.7). Actually it seems that Satan as usual copied the Lord's tactics: The Lord arrested the armies of Syria that came to Israel and Saul of Tarsus on his mission to destroy God's people in Damascus. Similarly, the false prophet, Bar Jesus who obstructed the gospel was blinded (2 Kgs 6.18, Acts 9.9, 13. 8-11) .

Please seek to understand: Who you are and What is your mission and commission for this year of landmark accomplishments? What are you expected to do to actualize this transformation in your life, family, church, city, community and nation? An important clue is to seek for the fresh fire of the Holy Spirit at His altar so He can equip you with His gifts and fruit. It is the path to revival and recovery at all levels, times and regions.

Welcome to the month of Vision for Landmark transformation.
